SKILLS

- **Languages:** C, C++, Python, JavaScript
- **Technologies:** HTML, CSS
- **Databases/Tools:** Git, GitHub
- **Soft Skills:** Problem solving, Team collaboration, Communication, Good Listening, Adaptability

PROJECTS

Amazon Homepage Clone | [GitHub](#)

Jun 2025 - Jul 2026

- Developed a responsive recreation of the Amazon homepage using HTML and CSS to strengthen practical web development skills.
- Implemented major interface components including the navigation bar, product sections, cart interface, purchase interactions, and footer navigation.
- Applied structured HTML and CSS layouts to reproduce a real-world e-commerce interface with consistent spacing, typography, and responsive behaviour.
- Focused on translating a real-world website design into a functional frontend while developing a stronger understanding of modern web interface development.
- **Tech Stack:** HTML, CSS

CERTIFICATES

- **C Programming for Beginners — Master the C Language** | Udemy | Jan 2026
- **Learning Full Stack React** | Infosys Springboard | Mar 2026
- **Introduction to Artificial Intelligence** | Infosys Springboard | Mar 2026
- **Computer Programming** | iamneo | May 2026
- **Hackathon-101 — Certificate of Participation** | ARC | 2026
- **Times Critical Thinking Championship 2026 — Certificate of Participation** | Times Foundation | 2026

ACHIEVEMENTS

- Solved **100+ programming problems** across college coding platforms including **CodeTantra** and **iamneo**, developing consistent programming practice and problem-solving skills.
- Solved **4 programming problems on LeetCode**, beginning structured practice in algorithmic problem solving and competitive programming.
- Participated in **Hackathon-101 organized by ARC**, gaining practical experience in collaborative problem solving within a hackathon environment.

EDUCATION

Lovely Professional University

- *Bachelor of Technology - Computer Science and Engineering; **CGPA: 8.7***

Phagwara, Punjab
Aug 2025 - Present

Triveni Public School, Haryana

- *Higher Secondary Education; **Percentage: 79.8%***

May 2022 - Mar 2024

Triveni Public School, Haryana

- *Secondary Education; **Percentage: 97.2%***

Jun 2021 - Mar 2022
